

Tiny Paws Pug Rescue

Volunteer Application

Tiny Paws Pug Rescue of California cannot survive without its foster parents and other volunteers. We rely on caring people who give what time they can to help find loving homes for our rescue pugs.

- **SOME OF THESE POSITIONS ARE:**
- **FOSTERING:** give a pug a temporary home and provide love and care until a permanent home can be found
- **HOME CHECKS:** visiting homes of prospective adopters or fosters before the pug is placed
- **TRANSPORTATION:** picking up incoming pugs, driving pugs to vet appointments
- **FUNDRAISING:** organizing & helping at fundraisers
- **EDUCATION:** educating the public regarding Pug ownership and about the rescue
- **EVENTS:** Managing or supporting our Bay Area wide adoption events
- **WEB:** Don't have time to help us due to work commitments? How about helping us in your off hours on our website?

If helping our pugs would be of interest to you, please fill out the application below.
You will be contacted by one of our volunteers within a few days.
